MUSICAL TREAT THIS SUNDAY

The band of the 5th Coast Brigade, by kind permission of Lieut. Col. T. B. Monk with Bandmaster C. A. Raine, will give a splendid concert at the Memorial Park on Sunday afternoon, commencing at 3 o'clock.

This is a special treat for the people of North Saanich as they do not often have the opportunity of hearing a 22-piece band in a program of musical numbers right in their own district.

Such well known numbers as "Pomp and Circumstance," "The Holy City," "Schubert's Works," "Maidstone" (sacred), and many others equally as popular will be played.

Excellent parking facilities are available and the park committee is on hand to see that everything is handled in the proper manner.

The committee are expecting the co-operation of the citizens of North Saanich in giving this wonderful band the reception that it deserves.

FINE DISPLAY AT FLOWER SHOW

The Hon. J. W. Jones, Minister of Finance, opened the 5th Annual Flower Show of the North and South Saanich Horticultural Society and complimented the members on the excellent exhibits and work accomplished for the encouraging and growing of local flowers and vegetables.

The exhibits were beautifully arranged around the hall and were shown off to the best advantage. The exhibits in some of the sections were small, owing to the season being a bit late, especially sweet peas, gladioli, carnations and vegetables, but excellent showing in some of the other classes made up for lack of these varieties.

The rose bowl, presented by the president for the highest number of points scored went to Mrs. J. J. White with a grand aggregate of 34 points.

Prizes were presented to winners (Continued on Page Four)

CLERGY VISIT LOCAL ISLAND

By Review Representative
GANGES, June 29.—On Tuesday, June 21, the clergy of the Rural Deanery of Victoria, held their regular quarterly meeting on Salt Spring Island. After their arrival at Fulford they drove to St. Mark's Church, where there was a celebration of the Holy Eucharist, the Rev. Canon Nunn being the celebrant, assisted by the vicar of the suburb, Rev. C. H. Popham. After the service they repaired to the Vicarage for their first meeting, where an instructive paper was read by Rev. W. Barton, which was followed by discussion.

At one o'clock they were the guests of the vicar and Mrs. C. H. Popham at luncheon at Harbourside House, after which they returned to the Vicarage for their second meeting, at which preliminary arrangements were made for a Ruridecan Conference which is to be held in Victoria some time in October. Many of the Victoria clergy had not visited Salt Spring Island before and all were much charmed with the beauty of same. The hope was expressed that this visit will be repeated next summer.

BIG DAY JULY FIRST AT MEMORIAL PARK, SIDNEY

The line-up of sporting events for the big sports day on Friday, July 1st, to be held in the Memorial Park is now completed. This promises to be one of the biggest local events held in the district for many years and the program consists of tennis, softball, running races, bicycle races, shot put, etc., as well as many side attractions, lasting all day. The park grounds are in wonderful shape and the tennis courts are in good condition for the tournament games scheduled for that day. These will commence at 1 o'clock and continue through the afternoon and evening. Two ball games are scheduled for the day, a baseball game at 2:30, when Sidney will meet the Victoria Eagles and a league softball game in the evening at 6:30, between North Saanich and Sidney. These should both be good games, the latter being a league game and will no doubt prove an added attraction for the big day.

At a recent meeting of the sports committee, several items were added to the already lengthy list of events: 100-yards, ladies', open; ladies' relay race; ¼-mile, open; pole vault; bicycle race, boys under 19, two miles and slow bicycle race, open, 50 yards. Events commence at 10 o'clock in the morning and continue throughout the day.

Those in charge of the various stalls and amusement stands are busy getting things ready for a big day and making necessary arrangements for handling the crowd to the best advantage. Included in the day's amusements and attractions are ice cream, hot dogs, pop, coconut shie, housie-housie and a variety of other interesting items.

The sport's program has on its list, events for juniors, intermediates and seniors. The complete outline of the day's program, with time of events, etc., is published below for your benefit. All those who have not as yet made their entries are asked to do so immediately, to save time at the last day.

All events will be timed and a record kept for future reference. Competitors are asked to be on hand when their event is called to save time in the running-off of the events.

There will be ample time between the afternoon events and the evening softball game to eat a basket lunch, so you can take the family along and have lunch on the lawn.

PROGRAM OF EVENTS

Entries for the various events should be made to H. J. McIntyre, as soon as possible, thus avoiding a late-minute rush.

PASSES SUDDENLY AT DAWSON CREEK

By Review Representative

Mrs. Shore, accompanied by Mrs. Vand, her son and Mr. Cecil Aubrey, left early last month for the Peace River District, where they had taken up a homestead and were settling in. They were residents of Ganges for the past ten years, up to the time of their leaving for the Peace River, making their home at the Rainbow Road.

The sympathy of the community goes out to Mr. Shore and son in their sad bereavement.

Passes Away While Giving Farewell Service

By Review Representative
SALT SPRING ISLAND, June 29.—Word has been received on the Island of the sad death of which took place in Vancouver on Sunday evening of Rev. J. R. Robertson, of the United Church, who dropped dead in the pulpit, when preaching his farewell sermon to a large congregation.

Rev. Robertson was to have been inducted to the United Church of Salt Spring Island on July 8th, taking over the ministry to the United Church of Canada on Salt Spring in place of Rev. W. M. Allan, who leaves the early part of this week for Victoria. Mr. Allan will be inducted into the W. Allan's Pastoral Church on June 30th.

Mrs. J. Gilman and Miss Edith Gilman, who are asked to turn in a vacation in East sound, Oregon, some in the Pharmacy, at the earliest possible moment.

CURIOS DATING B.C. FOR SHOW

A meeting of the Evening Branch of Holy Trinity and Saint Andrew's Women's Auxiliary was held on June 22nd at Miss Gilman's, when details and final plans were made for the Curio Exhibition to be held at Ardmore Grange on Friday, July 8th. Everyone is being most kind in lending their articles of interest and the members feel they will have an exhibition of curios well worth seeing. They have been lent things from India, China, Africa, Europe and South America. Things of interest from England, dating back through many reigns. Old Greek and Chinese articles of great age, one or two in fact dating B.C. All findings of the Indian life here long ago and many things of interest brought to Canada by our early settlers, both here and in the far north.

As well as the Curio Exhibition, there will be tennis, ladder golf, back-minton (wind permitting) and deck tennis for those that care to play, also ladder golf for the children.

The Senior Branch of the Women's Auxiliary will have a home-coming stall and the Evening Branch a stall of useful articles, such as gardening aprons, oven pads, balsam pillows, etc.

Arrangements have been made so that all cars can drive right up to the Ardmore Grange drive and plenty of parking space and turning room is available, so there will be no need for anyone to park on the roadside. It was decided to make a small charge for admittance to see the curios and then tea for those that want it. See Coming Events.

FINE PICNIC AT COLE BAY

On Saturday afternoon, the two higher divisions of the Sidney School enjoyed their annual school closing picnic on the lovely beach at Cole Bay.

Pupils were conveyed to their destination in cars kindly loaned by parents and immediately on arrival bathing suits were donned and the sports program entered into with enthusiasm. Prizes were awarded the winners in both land and water sports.

During the afternoon a number of the older pupils enjoyed a climb to the top of Mount Newton.

Promptly at 4:30 the group sat down to a delicious supper, which included many dainties, such as ice cream, lemonade, etc.

At the close of the day, a happy gathering returned to their various homes, after voting the picnic, "the best ever."

Thanks are due to the following who kindly assisted with transportation: Mrs. A. W. Hollands, Mr. Ardin Smith, Mr. S. Roberts, Mr. F. Godfrey, Rev. Thos. Keyworth and Principal Ramsay.

All holders of last year's "Swimming Gala" cups are asked to turn in to Mr. J. E. McNeil, at the end of a vacation in East sound, Oregon, some in the Pharmacy, at the earliest possible moment.

OUTSTANDING SPORTS EVENTS

Slipping and sliding over the wet field on Tuesday evening, Sidney lost to the Saanich Jr. at the Memorial Park, in a Victoria District league game. Owing to the heavy rains pre-ceeding the event all the players worked under difficulties and though the home team put up a hard struggle, the visitors succeeded in keeping at the top of a 10-7 score.

The North Saanich game scheduled for the same evening had to be postponed owing to the grass being in poor condition.

North Saanich girls' softball team gained 33 runs to Sidney's 13, when they met at the Memorial Park on Thursday evening. Several of the Sidney players were unable to be present, so the team was considerably handicapped. Following the game, the Sidney girls entertained at a beach party at the ferry wharf, when an enthusiastic crowd spent a couple of hours in the water and around the bonfire.

Upon the resignation of the former team manager, Earl Brown, Stan Coward has willingly consented to manage the team.

A big line-up of sports is scheduled for the 1st of July at the Park. Running races, bicycle races, softball, tennis, etc.

This promises to be one of the biggest sports days held in North Saanich for a long time.

With the score at 11-11, at the close of the ninth inning, Sidney battled three over-time innings against the View Royal team on Friday evening only to drop the game 14-13. The later half of the game and throughout the extra innings, a tense excitement was prevalent. In the tenth inning, each team scored a run, while the eleventh passed without a score. In the twelfth, Sidney scored one while View Royal made two, winning by a 14-13 score.

The game was played at Reynolds field and was the most exciting witnessed this season by Sidney fans.

The Memorial Park is in excellent shape and should be in good condition for the band concert on Sunday, July 3rd. The 5th Regimental Band will give a band concert in the afternoon.

In the Victoria District Softball League, North Saanich played the Beavers at North Saanich on Friday evening. North Saanich took the lead throughout, gaining 15 runs to the visitors 2.

B Teams of Sidney and North Saanich played in The Islands Softball League on Saturday evening. With a large number of Sidney players working, the team took the field with a pick-up team and at the close of the game, the score stood at 17-0 in favor of North Saanich.

Ball games at the park for Friday, July 1st, will be a baseball game in the afternoon at 2:30, between Sidney and the Victoria Eagles, and a league softball game at 6:30, in the evening, between Sidney and North Saanich.

On Monday night the Cubs defeated a team of school boys at the Memorial Park by a score of 26-23. The

game was decidedly in favor of the boys until the Pack got down to business and started pulling out the hits to reverse the count. Parents and friends who attend these games are promised a real thrill and loads of fun.

FROZEN WILD FLOWERS

An interesting example of the application of refrigeration to industry is afforded in the following item which appears in the current issue of the Cold Storage News Letter, issued by the Dominion Dairy and Cold Storage Branch:

"A bunch of waratahs, flannel flowers and native roses arrived in England from Australia recently. They were shipped by Mr. John Sorger, Australian agent for Messrs. John Doulton, of Lambert, to show the English pottery painters the true form and color of some of Australia's most popular native flowers. Typical blooms were selected for the purpose, and were placed in a can of water which was frozen by the Fresh Food and Ice Co. Ltd. Afterward, the ice block containing the flowers was placed in a wooden box and sent to the liner to be placed in the freezing chamber."

Here and There

There are over 450 miles of motor highways, 169 miles of roads, 2,432 miles of trails and 1,100 miles of telephone lines in the twenty national parks of Canada, which cover an area of over 13,800 square miles in different parts of the Dominion.

San Francisco was en fete recently when the Canadian Pacific liner Empress of Britain arrived there from Honolulu for a two day stay on her 128-day winter cruise of world ports. About 80 additional passengers joined the ship at San Francisco and another fifty at Los Angeles for the last lap of her voyage through the Panama Canal to New York.

"The Mineral Position of the British Empire" is the suggestive title of a paper by Dr. Charles Camsell, Deputy Minister of Mines, which will be the leading topic for discussion at the annual meeting of the Canadian Institute of Mining and Metallurgy, in Montreal on April 5, 6 and 7. This same topic will provoke much discussion at the forthcoming Imperial Economic Conference.

Belief that economic conditions were gradually improving and that the forthcoming Imperial Economic Conference at Ottawa would be one of the big historical events in the development of the Dominion, was expressed by Senator Gideon Robertson, former Minister of Labor, who sailed on S.S. Montcalm from Halifax recently as Canada's chief delegate to the 16th annual conference of the International Labor organization at Geneva.

Canada's rapid change from an exporter of raw minerals to an exporter of finished and semi-finished products will be well set forth at the annual meeting of the Canadian Institute of Mining and Metallurgy in Montreal on April 5, 6 and 7. A number of important papers will describe the new smelters and refineries that have effected this change.

With five steamers in service between Port McNicoll and the head of the lake during the coming season, the Canadian Pacific Railway announces that they will now accept shipments of freight at eastern points destined to points in western Canada, via Port McNicoll, Ont., and their lake and rail route subject to delay at Port McNicoll pending the first sailing.

Changes in the management of Maritime Province summer hotels of the Canadian Pacific Railway will shortly become official. Joseph A. Cashman, who managed the Lakeside Inn, Yarmouth, N.S., and is at present in charge of the Place Viger Hotel in Montreal, will become manager of the Algonquin Hotel, St. Andrews, N.B., and he will be succeeded in the management of the Lakeside Inn by Jeremiah Daley, Jr., now chief clerk at the Cornwallis Inn, Kentville, N.S.

Among deeds of heroism at sea, the rescue of the 27 men of the salvage ship Reindeer by volunteer seamen of the S.S. Montcalm recently will rank high. Ablely seconded by Captain Bothwell who steered the Montcalm to make a lee for the lifeboat, and with very heavy seas running, the men under Second Officer Knight put through "as pretty a piece of work as one could wish to see," was the comment of J. G. Ross, of Moose Jaw, former M.P. for that city, who was a passenger and witnessed the rescue from start to finish. (831)

Chuck Cunningham, well known in local sports, was a successful winner in the British Columbia Olympic trials held in Vancouver on Saturday. Chuck captured first place in the 50 metre race with a large margin to his credit.

A Tireless errand boy... the telephone

"Oh hotheration!" said Mrs. Brown.

She had returned from town with her table provisions only to discover that she had forgotten the meat for dinner. She was wishing she had acted on the Smiths' advice and had a telephone installed; then she could just call up and have the meat sent. But she hadn't taken the tip—so she had to make the trip over again. Mrs. Brown has a telephone now.

The telephone is a tireless errand boy. Think of how many trips your telephone saves you.

"Parting"

They parted in the garden
Where the roses drooped forlorn,
In the dim and dreary twilight
Of a weeping summer dawn.

Yes, they parted there for ever,
And their hearts were very sad,
And the leaf-strewn pathway whispered,
Of the happy days they'd had.

And they wandered to the river
Where the lonely night wind sighs,
And the pale moon faintly glimmered
As they mingled their goodbyes.

And gradually the sun came thro'
A pale grey mist of tears,
But the garden, ah 'tis empty
As the daylight fast appears!

CANNERY NOW BUSY PLACE

Anyone visiting the local cannery these days will see a busy place, dozens of girls, boys, women and men are at work canning strawberries. Many improvements have been made by the Saanich Canning Co. Ltd., during the last few months, workmen having been busy making repairs and changes for the canning of fruits. The oyster pack was very successful, although rather small, but they are hopeful of a much larger pack next year to supply the demand. Strawberries are now coming in well and it won't be long until raspberries and cherries will also be under way.

BUCKWHEAT DESTROYS WEEDS

Among the many uses of buckwheat as a field crop perhaps none is more important than its value as a weed destroyer, states crop specialists of the Dominion Experimental Farm. Its value in this connection arises from its quick germination and rapid growth. The fact that two crops of buckwheat can be raised during one year usually makes it particularly effective in the eradication of even such difficult weed problems as those presented by the Sow Thistle and Quack Grass.
